**Re: Guma' Mami, Inc.'s Letter of Request**

Dear Governor Calvo:

*Buenas yan hafa ada!* On behalf of the Board of Directors, the staff and management, and especially the consumers, Guma' Mami, Inc. sincerely appreciates the casino permit which you so generously granted to our social service organization.

I am in receipt of a letter from our Casino Operator partner, Mr. Jason Rui. After much evaluation of the first 34 days and after all expenses we are showing a loss. We now have 19 more days to recover the losses. In addition, be able to provide proceeds to address needs identified by Guma' Mami. This includes but is not limited to the purchase of a van and sedan to serve those living in the community homes and community support services.

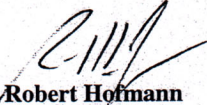

We are therefore humbly requesting that you consider and approve the extension of the casino operations through August 16<sup>th</sup>. This would go through the week of the Barrigada village fiesta.

Guma' Mami humbly thanks you for the support you have provided to it over the years and look forward to a positive response and continued working relationship to assist an under-served part of our island community.

Si Yu'os Ma'ase,
