Mayors' Council of Guam

Konsehelon Mahot Guahan

July 16, 2013

Honorable Edward Baza Calvo
I Magalahaen Guahan
Ricardo J. Bordallo J. Bordallo Complex
Hagatna, Guam 96910

Dear Governor Calvo,

Buenas yan Hafa Adai! Thank you so much for supporting us and our efforts to make the 2013 Liberation festivities such a success for the people of Guam. Your commitment to making this year's festivities the success that it is has been especially appreciated by the Mayors and Vice Mayors of our island.

The purpose of this letter is to officially request your approval to extend the gaming activities at the Liberation Carnival until 6:00am August 16, 2013. The Liberation Committee already has your approval to allow for the carnival extension until August 4, 2013. The reason we are requesting for the additional days is to allow Guma Mami to recoup its expenses as they have detailed in the attached letter. The Liberation Executive Committee and the Guam Liberation Historical Society are recommending your approval of this request.

The request for the extension is made necessary due to the over 8 days of inclement weather and late opening of the Casino and the games of chance while we awaited your proclamation. All operations of the 2013 Guam Island Fair will cease at 6:00am on August 16, 2013, based on your approval.

We thank you in advance for your support of this request.

Senseramente,

ANGEL R. SABLAN
Overall Co-Chairperson
