The priority of the Apostolic Administrator is to take stock of the present pastoral situation of the diocese; to identify the difficulties present among the clergy, religious, and lay faithful and to take urgent measures, at the earliest, in order to promote and restore unity and harmony in the local Church. The Apostolic Administrator, after carefully discerning the needs of the Archdiocese will take all necessary decisions to assure that this goal is being implemented.

The Holy Father kindly asks for the trust and prayers of the local Church and sincerely hopes that the entire Catholic Community will put all of its energy in promoting unity, harmony, and stability of the Church.

May Mary, Mother of the Church, assist with the same care she manifested at the very beginnings of the Church's growth.
